HINTS TO FRESHMEN

The bedding furnished by the College includes sheets and pillow cases. Bring needed bed spreads and blankets or comforts with you.

* * *

Be sure to bring along a good pair of walking shoes that have been "broken in." With those jaunts to town for room furnishings, you'll favor the experienced shoes.

* * *

It would be wise to include in your hand luggage the following articles: a cool wash dress, ankle socks, wash cloth, towel, and soap, your make-up kit, and some adhesive plaster for blistered heels (most everyone gets them the first few days, but your risk will be less if you wear comfortable walking shoes).

* * *

Don't plan too much on curtains and color schemes for your room until you get a chance to talk it over with your room-mate. Since the windows are a little longer than average, it is advisable to get your curtains after you reach school.

* * *

Bring from home a bright-colored laundry bag which will quickly catch your eye and shorten your hunt on laundry day. Bring four white, dinner-sized napkins.

"All folks are queer but thee and me, and sometimes I think thou art a little queer—" thus quoth the Quaker to his wife. Give your room-mate at least a ten day trial.

* * *

Bring your handbook with you. You will need it while in College.

* * *

New students should bring white tennis shoes, socks, and play suits or shorts to be used for physical education classes until the regulation gymnasium suit is received. The order for the gymnasium suit should be sent before leaving home. Order blanks may be obtained from the College.

* * *

Be sure to bring with you your Bible; you will find it an ever present help and comfort.

* * *

Remember that you aren't the only stranger—there will be many others. Go out and make friends.

* * *

"Hello" is our salutation on the campus; return it with a smile. Remember, we are one big happy family.

ALMA MATER

Eager voices singing!
Swelling high and clear!
Happy hearts their praises bringing
Alma Mater, dear!
Alma Mater, can you
Hear us as we sing?
Praise to thee, dear Alma Mater,
Loyal hearts do bring.

Giver of all knowledge,
Hear us as we pray:
God, our Father, bless our college,
Hear our prayers today!
Alma Mater, can you
Hear us as we sing?
Praise to thee, dear Alma Mater,
Loyal hearts do bring!

HONOR SYSTEM

Mary Washington College operates under the system of Student Government by which the students guide their own conduct. It is the duty of each to assume the responsibility for her own proper conduct and also for that of those around her. This system is democratic in that it gives each girl a share in student conduct, attitude, and loyalty—a system successful only with the cooperation of everyone.

It has been said that honor is what one is in the dark. Such is the attitude that each student should take in her school work and life here "on the hill". Not a written code of laws or regulations, but the unwritten standards underlying the conduct of all gentlewomen should guide the conduct of a student of M. W. C. She will do what is right because she knows it is the thing to do, and by so doing, she will be upholding the Honor System of Mary Washington College.

HONOR CODE

I, as a student and citizen of Mary Washington College, do hereby resolve to uphold the honor of the College by refraining from giving or receiving academic material in a manner not authorized by the instructor; from the illegal appropriation of the property of others; and from the deliberate falsification of facts. I shall do all in my power at all times to create a spirit of honesty and honor for its own sake.

(Signed).....

(All outstanding cases of misconduct shall be referred to the Joint Council for final decision.) The Student Council shall also study the needs of the Association and map out a program of work for the year.

(b) Any student may appeal by right from a decision of the Student Council to the Joint Council.

Sec. 2. Officers.

(a) The general officers of the Association shall be a President, (chosen from the Senior Class), Vice-President, Secretary (a commercial student), and Treasurer, chosen from the Junior or Senior Class. The President

of Student Government is not eligible for any other elective office or honor given by the students. She shall be automatically included as one of the six most outstanding girls.

(b) Duties of officers.

1. The President shall call and preside over all meetings of the Association and shall be responsible for the organization of the incoming first class. She shall be in touch with the work of all lesser officers and shall stimulate them in their duties. She shall appoint all committees.

She shall co-operate with the Hostess or person in charge in maintaining order and discipline, and promoting the general welfare of the students. The House Presidents also give permission concerning the spending of the night out of the home room. This officer shall appoint some one to serve in her absence, posting her door to that affect. The House President shall call a regular meeting of the dormitory once a month to discuss those things which make for the best conduct and environment possible, and shall plan and direct social activities of the dormitory.

If acted upon favorably by Student Council, it shall be referred to Joint Council. If acted upon favorably by Joint Council, the proposed amendment shall then be posted for one week, after which it shall be referred to the student body. If two-thirds of the students, provided a quorum is present, vote in favor of the proposed amendment, said amendment shall then become a part of the Constitution.

RULES AND REGULATIONS OF STUDENT GOVERNMENT ASSOCIATION

The following Rules and Regulations formulated in accordance with Article IX of the Constitution shall be effective on and after September 25, 1939.

Off-campus students not living in their own homes are subject to the same regulations as students living in the college residence halls as regards home life, dates, automobile riding, week-end visits and holidays, general deportment, etc., and are subject to the regulation, control, and supervision of the college at all times. Each student is urged to read the Handbook carefully.

I. School Work

1. Students shall be considered on their honor in all oral and written classwork, in all assignments, in the library, and in the general use of college property. Any violations of these standards or of regular library regulations, shall be considered a Student Government offense.

2. No student will be permitted to shift her class to expedite her getting away for the week-end; however, any student, irrespective of class, may go away for the week-end, provided it in no way interferes with her work, and provided she is responsible for her work. Any student whose work is unsatisfactory may have this privilege curtailed or withdrawn entirely. This also applies to visits to town.

II. Class Organization.

Membership in class organizations is optional. All class dues must be paid by November 15th, except those of the Freshman Class, which shall be paid by December 15th. Students who do not pay their dues by the above dates will not be considered members of their respective class organizations; consequently, they are not to be granted class privileges: such as, voting, holding offices, attending class meetings and class functions, nor will they be allowed representation in the Annual.

Sophomore, Junior, and Senior Classes may meet and organize prior to the appointment of the Class Adviser, but the program for the year and the assessment of dues shall not be undertaken until the appointment of the adviser. The Freshman Class shall organize one month after the opening of school.

IV. Dormitory Life.

1. Students must be in their respective dormitories by 10:30 p. m., unless special permission to be out later has been given by the Dean of Women. In this case the student must let the hostess in charge of her building know that she has permission to be out later than 10:30 p. m. and must report to her hostess and the Dean of Women personally when she comes in.

2. Study Hours:

- (a) Study hours shall be kept every night except Saturday and Sunday. The study hour shall begin at 7:15—except on Friday nights when it shall begin at 7:30—and end at 10:15. During this time no student is permitted to be in any student's room other than her own.

On Lyceum and Convocation nights there shall be a light cut until 11:45 for students who are actually in attendance. On nights when light cuts are given students are expected to be in their rooms and to utilize this extension of time for study.

5. Saturday Night. On Saturday night there shall be no restrictions until 10:45 with the exception that all visitors to the College shall leave by 10:15 p. m. Students may spend the night in the room of another student on this night only. If a student is spending Saturday night with another student, she shall consider the latter's room as her own for the night, reporting there not later than 10:45. She may, however, spend the period 10:15 to 10:45 either in her own room or her friend's room. When a student spends the night out of her dormitory she must check with her own House President. She must also check with the House President of the dormitory she is visiting.

6. Sunday Night. On Sunday night there shall be no restrictions until 10:45, with the exception that all visitors shall leave by 10:15 p. m., and all students shall be in their dormitories at 10:30 p. m.

V. Meals and The Dining Hall

1. Tables. Juniors and Seniors after making up their tables will preside at those tables in the dining rooms. The hostess may dismiss her table (not individual students) at both breakfast and lunch. The dining room is dismissed as a whole at dinner by the Dean of Women in the South Unit, by the Dean of Freshmen in the North Unit, and by the Hostess in the First Floor Unit. Student teachers may leave the table at breakfast and lunch before the table is dismissed, provided limitations in time make it necessary.

2. Students must come to all meals with the following exceptions:

- (d) A student may have a box supper in one of the buffet rooms or kitchenettes in her dormitory at the dinner hour provided she checks in person with the House President between 5:30 and 5:50 and rechecks with the House President between 6:25 and 6:45.

3. Juniors and Seniors who have the class privilege (see regulations under Class Privilege) of taking dinner in town in the evening, check in person to this effect with the Dean of Women.

4. Two or more Juniors with approved escorts may take Sunday dinner (noon) at approved eating places in town.

5. Four or more unescorted Juniors, or three or more Seniors, may take dinner in town in approved eating places. They must be back at the College by 7:15 p. m. or it will count as a night in town.

6. All other meals taken out of the Dining Rooms require special permission from the Dean of Women.

7. No food is to be taken from the dining rooms, except the student's own fruit or cake. No dishes or other equipment are to be taken from the dining rooms or Tea room. A student too ill to go to her meals must be in the Infirmary.

Town boys must make arrangements with the Dean of Women in regard to being placed on the calling list.

2. Calling Card. A date must call at the office of the Dean of Women on arrival at the campus to get his official calling card. This card is to be presented to the Hostess in charge of the dormitory in which the student lives. The date must get a card each time he returns to the campus.

VII. Riding.

A. Automobile Riding.

A student may ride with a member of her immediate family either in the morning, afternoon, or evening, returning to the college not later than 10:00 p. m. or with members of the faculty or the parents of other students by special permission from the office of the Dean of Women. All riding permissions entail checking with the Dean of Women on leaving and on returning.
2. Riding in cars at night under any other conditions than those indicated in paragraph 1 above is forbidden, and is regarded as one of the most serious offenses against College regulations.
3. A student may travel in a public automobile when hired for business use, without special permission, unless the ride would take her out of the bounds permitted by the College, in which case the student must consult the Dean of Women before the trip is made.

7. Riding with dates. Juniors and Seniors, two or more, may obtain permission from the Dean of Women to ride with dates in the afternoon twice a week until 5:30 provided they have either a standing or a special permission from their parents to this effect. These rides must be within a radius of ten miles from the campus. Students must sign out with the Dean of Women and check in with her on returning.
8. Non-resident off-campus students may ride with resident town students to and from the campus only. Riding with students or others under any other circumstance must be with special permission as described in preceding paragraphs.

9. Riding with any one to whom the College has refused its social courtesies, or with any one whom the College considers undesirable, is forbidden.

2. Before a student is authorized to spend the day or night out of town when not going home she must obtain written permission for

each trip, from her parents or guardian and a written invitation from her hostess both to be sent to the Dean of Women and approved by her. Such students on leaving and returning to the College must check in person with the Dean of Women and also sign the Dormitory Book on leaving and returning. Girls spending the week-end out of town are expected to return by 10:15 p. m. Sunday unless they have arranged with the Dean of Women to return later.

IX. Trips to Town.

1. General.

- (d) When a student is unable to return to the campus on time, no matter where she may be, she should notify the Dean of Women by telephone if possible, unless she is away from the campus on a visit to her own home and then the communication should come from the parent.

- (3) Juniors may go three nights a month in groups of three or under approved chaperonage.
- (4) Seniors may go four nights a month in groups of three or under approved chaperonage.
- (5) In case a Freshman or Sophomore is in the group with Juniors or Seniors there must be four in the group.
- (6) Students who have the privilege of going to town at night must be back on the Hill by 10:30 p. m., at which time every student must be in her own dormitory. No student is to unlock any door for a student out of the dormitory after that time.
- (7) Church services. See under Sunday privileges.

- (b) Students are not permitted to spend the nights or week-end in town except with members of the immediate family and then only with the permission of the Dean of Women.
- (c) Students may take dinner in town in approved homes, provided an invitation has been extended by the hostess to the Dean of Women and she has given her approval. Such students must check out with the Dean of Women on leaving the campus and check in on returning, not later than 10:00 p. m. The student must return to the College immediately after leaving the home of her hostess.

3. On Sunday.

(a) Morning Church Services.

- (1) Students are permitted to go to town on Sunday morning for church services only, except in cases of special permission.
- (2) Juniors or Seniors may go directly to church with approved escorts on Sunday morning, either walking or riding and returning immediately after the services to the College. Such students when riding on leaving and returning to the College must check in person with the Dean of Women. (See general regulations under Administrative Regulations).

(b) Evening Church Services. Students are allowed to go to town on Sunday evenings for church services under the following conditions: Upper classmen may attend only in groups of three and the lower classmen in groups of four. If there is a lower classman in the group there must be four. All students must sign to that effect with the Dean of Women and check in on their return.

(c) Visiting in Town.

(1) Students spending Sunday in town must first have an invitation extended to them through the office of the Dean of Women, who will give permission if the home is approved. Such students must check when they leave the College and recheck in person in the office of the Dean of Women not later than 5:30 p. m.

(2) Juniors visiting in town on Sunday afternoons must be on the Hill by 6:00 and Seniors by 10:00 p. m.

(d) Students are not allowed to go into stores, hotels or other eating places on Sunday, unless by special permission or under special class privileges.

X. Miscellaneous Regulations.

1. Students may go for rural walks in groups of four on any day including Sunday. Rural walks may include special historic

places on edge of town as: Brompton, National Cemetery, etc., but this privilege does not include strolling on main highways. Students are not to wear knicker, tennis or gym suits or any abbreviated costumes on these walks and must sign out with the Hostess of the building in which they live, and check in with her on their return not later than 5:30 p. m.

2. Students are not to stroll beyond Betty Lewis Dormitory.

3. Students are requested to arrange when possible for overnight guests in advance of their arrival, with the hostess in charge of the building. Guest linen may be secured from the Dean of Women or Dean of Freshmen.

4. A guest of any student, whether an alumna or not, is to be registered on arrival with the Hostess in charge of the building in which the visit is being made.

5. Men relatives are not to be taken to dormitory rooms.

6. Sunday Recreation:

(a) Students may engage in the following activities on Sunday afternoons:

- (1) Students may swim from 4:00 to 5:00 p. m., provided they use college swimming suits in the pool.
- (2) Student may engage in horseback riding, tennis, and golf after 1:00 p. m.

- (b) These privileges are extended to college students only, and may be withdrawn if abused.

7. Sun bathing must be confined to the Roof Garden over the indoor swimming pool and is prohibited on Sunday. Girls sun bathing must at all times be properly clad either in bathing suits or sun suits. Pillows or other College property taken on the Roof Garden will be charged to students if lost or damaged.

8. No student is permitted to take books or handiwork to Convocation, Chapel, or Lyceums.

9. No student is permitted to take books from the library without proper authority.

10. Students are not to dance in the tea room on date nights.

11. The approval of the General Chairman of the Student Activities Committee is required for all entertainments given by school organizations.

Interpretation of Campusing

Student Council or Joint Council may withdraw certain privileges from students who have violated college regulations. The withdrawal of privileges in this manner is known as campusing. A campused student (1) automatically loses any office she may hold, (2) may not be absent from the campus except by special permission; (3) is not permitted

to use the telephone or to relay messages by telephone; (4) must go to all meals; (5) will be recorded as suspended for the remainder of the session if she withdraws voluntarily from the college, except for imperative reasons.

In each case camping penalties may be waived only by the group which imposed the penalties; that is by Student Council or Joint Council in an official meeting. These groups reserve the right to waive the camping in cases of emergency where conditions require such action.

Camped students who require dental or medical treatment, upon the recommendation of the college physician, may go to the city for treatment when chaperoned by one of the registered nurses or a member of the Student Council.

Camped students are permitted to attend church services on Sunday mornings. Such students must check out and check in with the Dean of Women.

Parents or guardians of camped students will be notified of the fact, together with the causes for the withdrawal of the privileges.

Even though camping restrictions have not been imposed, parents or guardians may be notified when a student has been called before the council.

ADMINISTRATIVE REGULATIONS

A. General.

1. Convocation and Chapel.—All students are to be seated alphabetically by the Student Government Association. Every student is expected to be in attendance at these exercises and in her regular assembly seat unless excused because of illness or other valid reason.

2. A student is under the jurisdiction of the College at all times, and will be held directly responsible to the College for her deportment while away on week-end visits or en route to and from the College. The only exception to this rule is when she is visiting in the home of her parents or guardian.

3. Drinking, hitch-hiking or other conduct unbecoming to refined womanhood, or which would bring reproach to the student or the College, will not be tolerated and drastic measures will be provided for all such offenses.

4. A student holding an aid position who violates a college regulation justifying camping or a more severe penalty, automatically relinquishes the position.

5. No callers or dates are permitted on the campus under any circumstances while under the influence of intoxicants. Any person who is so inconsiderate as to ignore this important regulation or whose conduct is otherwise objectionable is automatically removed from the calling list.

6. Smoking.—Smoking by students is discouraged at all times, but those who have acquired the habit may, with the consent of their parents, smoke in their rooms only. Smoking under any other circumstances while under the jurisdiction of the College will not be tolerated. Smokers are held strictly responsible for any damage to property.

7. Electric devices, such as hot plates, curling irons, etc., are not to be used in the rooms. Curling irons may be used only in the bath rooms. Sterno, and other inflammable articles, as well as electrical devices, may be used only in the "Pressing Rooms" or kitchenettes provided for that purpose.

8. Riding Regulations.—Students are permitted to accept pick-up rides from a parent, guardian, or from members of the faculty or their wives. Students are not permitted under any circumstances to accept pick-up rides from any one else.

9. Nights in Town.—Students are permitted to go to town at night on Tuesdays, Thursdays and Fridays, and on Sundays for church services only, under regulations heretofore in force.

10. Students may attend church services on Sunday morning with approved escorts, walking to and from church, and returning to the college immediately after the services. Students "on campus" or deprived of certain privileges may attend church services under the general regulation heretofore in effect, but are not entitled to the privilege of having

escorts. (See "Morning Church Services" for special privileges for Juniors and Seniors.)

11. Zoning Regulations.—Students are permitted to go into the city of Fredericksburg in accordance with regulations set up by Student Government and the Administration of the College, in the territory bounded by the following streets:

Cornell and Lewis on the north;

Main on the east;

Charlotte on the south; and

Prince Edward on the north, extending to Lewis Street.

In accordance with the regulation in effect for many years, students will continue to use Lewis and Cornell Streets in going to and returning from Fredericksburg.

Exceptions:

In order to eliminate any possible hardship arising from the above regulation, the following exceptions are in order:

(a) Students having special permission to visit in homes when the invitation has been extended to them.

(b) Students having special permission to go to the railroad station or the bus station.

(c) All churches within the city limits of Fredericksburg are exempted from this regulation.

(d) Students going to and from home.

(e) Students accompanied by a parent, guardian, chaperone, members of the faculty or their wives, or the host or hostess of a home in which they have been given permission to visit.

(f) Students having riding privileges in accordance with College or Student Government regulations.

(g) With special permission students will be allowed to visit the hospital, the public high school, and the elementary school.

B. Excuses and Class Cuts

Permission to be absent from the college is granted upon written request of parents or guardians. However, such absence does not relieve the student of responsibility for classroom attendance, and is not counted as an **excused** absence from classes except in cases of illness, an emergency, or when covered by class-cut privileges as explained under EXCUSES and CLASS CUTS.

Parents often do not realize how seriously they affect the college standing of their children by requesting their absence from college when there is no urgent necessity, because, in the strictest sense, an absence from class never can be made up. It is most seriously requested, therefore, that a parent or guardian not call a student away from the college except under the most urgent circumstances.

I. Excuses.

All excuses for absences must be submitted directly to the office of the Registrar.

1. (a) Excuses for boarding students on account of illness, whether due to confinement in the Infirmary or necessary visits to the Infirmary during class periods, must be submitted by the College Physician to the Registrar's office.
- (b) Excuses for illness of off-campus students must be submitted by the parent, hostess, or attending physician to the Registrar, stating nature of illness.

- (c) In order to be excused from classes to consult a physician, dentist, or oculist off the campus, a student must have permission from the College Physician before leaving the campus, and, upon her return, submit a statement from the doctor to the College Physician.
 - (d) No excuses will be accepted for absences from classes except for personal illness or an emergency such as serious illness in the home. In the latter case, the excuse must come from the parent, guardian, or family physician, to the President's office, with detailed information as to the reason for the absence.
 - (e) Field trips and tours: Teachers in charge of field trips and tours must secure in advance the President's approval for such trips, and submit to the Registrar's office upon return a list of all students absent from classes as the result of such trips.
2. Members of the faculty shall deposit in the faculty box at the close of each day a list of all absences on forms provided for that purpose. The Registrar will check excuses and class-cut privileges against these absences, and any unexcused absences will be reported back to instructors to be taken into consideration in making up students final grades in accordance with regulations in the catalogue under "Grading" page 43. All stu-

dents are urged to attend classes regularly, and not to jeopardize their class standing by unexcused absences, since such absences affect their scholastic standing materially and may mean the difference between failure and passing.

II. Class Cuts.

The following system of class cuts is designed for the purpose of taking care of all other absences from classes not covered under the head of **Excuses**:

1. (a) All students, regardless of their grades, are accorded the privilege of one cut each quarter in each class.
- (b) Students who made no grade below "A" the previous quarter shall be entitled to three cuts in each class carried the current quarter, in addition to the one cut each quarter given all students.
- (c) Students whose grades averaged "B" for the previous quarter shall be entitled to two cuts in each class carried during the current quarter, in addition to the one cut each quarter granted all students.
- (d) Students who made an average of less than "B" but not less than "C" on the previous quarter's work shall be entitled to one cut from each class in which they are registered for the current quarter, in addition to the one cut in each class allowed all students.

- (e) Since an average grade of at least "C" is required for graduation or recognition of any kind, students who made less than that average the previous quarter are entitled only to the one class cut each quarter allowed all students.
- (f) Students transferring from other colleges are entitled to the same privileges for the first quarter here, and the number of cuts is determined by the grades in the college previously attended.
- (g) It is not necessary to submit an excuse for class cuts, and these cuts may be taken for any legitimate purpose, social or otherwise. However, before leaving the campus a student must check out with the Dean of Women whether for the purpose of visiting home or elsewhere, such visits to be in accordance with regulations in the Handbook, and sign in the Registrar's office.
- (h) Class cuts are not cumulative and, therefore, cannot be carried over from one quarter to another. In other words, the cut privileges to which a student is entitled if not used in one quarter cannot be carried over and added to those in another quarter. Of course, it is not compulsory that a student take advantage of her cut privileges, and in many instances she or her parents may not deem it wise for her to do so.

- (i) Cut privileges do not apply to student teaching responsibilities or to tests or examinations.
2. Students are advised to keep in close touch with the Registrar's office at all times and be sure that they are in possession of full and accurate information in regard to their class standing and the number of cuts to which they are entitled.
 3. Nothing in these regulations and privileges should be construed as changing in any way students week-end privileges or the status of students who are campused or otherwise deprived of student privileges by Student Council or Joint Council.
 4. Absence from classes immediately preceding or succeeding a holiday will count as two class cuts or, in case the absentee does not have sufficient class cuts to her credit to cover the absence, as two unexcused absences.
 5. Students will not be excused from classes in order to leave early before a holiday or the close of the session except as stated in paragraph 4.

Point System

1. Offices held by students shall be valued on a percentage basis. No student will be permitted to carry more than 100 percent office load at one time.

2. Any student who is nominated for a major office in any of the classes or major activities in the College and allows her name to stand as a nominee is ineligible for nomination to any other office until the election for this office is over.

If a student does not wish her nomination to hold, she may withdraw her name as a nominee, provided she makes her withdrawal by submitting a written request to the secretary of the class or organization not later than six hours after nomination from the floor and previous to its posting. The list of nominees will not be presented to Joint Council for approval until this time has expired.

In case the six hours expires after 11:00 p.m., the hour for withdrawal will close at 8:00 a.m. the following morning.

3. A student making an average below "C", or failing in more than 20 per cent of her work shall be ineligible for participation in any major school activities or for holding any office during the succeeding quarter.

A major activity is one that pertains to the whole student body, such as Student Government, Y. W. C. A., "The Battlefield" staff,

"The Bullet" staff, "The Bayonet" staff, and the position of May Queen. In addition, departmental organizations, such as the Choral Club, the Athletic Association, the Dramatic Club, or any other organization or activity which might interfere with proper academic preparation, are considered major activities.

Ineligibility caused by conditioned grades cannot be removed by merely making up the grades, unless the conditioned grades were due to illness or forced absence from the College.

4. The academic status of every student who is a candidate for office or taking part in a major school activity shall be ascertained from the Registrar's Office by the secretary of the organization and approved by the adviser of that organization before the nominee's name shall be submitted for consideration.

5. A list of nominees for all officers of college organizations must be submitted to the secretary of Student Government who will check the point rating to see if they are eligible.

6. As soon as the officers in an organization are elected, it shall be the duty of the secretary of the organization to furnish the properly attested list of all officers in the organization to the College Registrar and to the secretary of Student Government. All changes in officers during the year must be carried out in the manner indicated above.

7. The system of rating shall be as follows:

FACULTY ADVISERS

Advisers	Mrs. Dodd, Mr. Darter, Dr. Moss
--------------------	---------------------------------

MOTTO

"I am come that they may have life and have it more abundantly."

THE WORK OF THE Y. W. C. A. COMMITTEES

Campus Social Service

The function of this committee may be felt by someone when she least expects it. It may be that she is in the Infirmary and through members of this committee she will receive her mail from the post office, have flowers in her room that might not otherwise be there, and read magazines that have been helpfully contributed by Campus Social Service. Yet again, she may enjoy reading the Y. W. bulletin board in the post office, where bits of poetry and philosophy are posted.

Nancy Brooker (Chairman)

Community Social Service

"It is more blessed to give than to receive"—and more fun too! How much better one feels after he has done something—even a very small something—to make another happier or

richer, not only in the material necessities of life but in the intangible things, as well.

The function of this committee is to aid deserving causes, movements, or groups in the community. A wonderful opportunity is presented by a group of underprivileged girls here in Fredericksburg, who need to be instructed in the practical arts as well as to be given the good time they could not have without your aid.

Betty Simmons (Chairman)

Chapel

The purpose of this committee is to conduct the chapel services held twice a week, at which time the entire student body is in attendance.

Frances Alley (Chairman)

Church Relations

In order to have a full college life your religious feelings must be satisfied along with your intellectual and social desires. It is advisable to choose the Church with which you wish to be affiliated and from the first attend regularly.

The Church is the place where you will feel at home from the beginning—the place where you will be free to worship and make new acquaintances. In your Sunday School Class you will make lasting friendships and enjoy the fellowship of people of your own faith.

Every Church in the city is anxious to have you, and you will be cordially welcomed by the Young People's Societies.

Marguerite Fortmann (Chairman)

Devotionals

Each Sunday evening around a quarter of seven, you may see a steady stream of girls going in the direction of Monroe Hall. They are going to Devotionals, a quiet half hour of music, Scripture reading, and inspiration. An effort is made to bring to the girls a variety of speakers from the faculty, the town, and nearby colleges and cities. The Y. W. Choir and Glee Club contribute musical programs.

At these services the Y. W. gives to the student body a fitting close to a busy week, and an inspiration for the week to follow.

Jayne Waugh (Chairman)

Entertainment

The Entertainment Committee has for its purpose the planning of various activities to make your college life more enjoyable. These programs create an atmosphere of fun and entertainment; so, join in with your bright ideas which are always welcome.

Peggy Thompson (Chairman)

Finance

The function of this committee is the raising of the funds necessary for the Y. W. to successfully carry on its work.

This is carried out chiefly by the sale of well-known brands of candy in each of the dormitories. In addition, college stickers of various sizes may be secured from the members of the committee. Each year a benefit, usually a play by a well-known author, is given to help finance the work of the organization.

Adeline Kirkpatrick (Chairman)

Library

This new division in Y. W. C. A. Cabinet is taking over the Book Club, which has formerly been sponsored under other supervision. This committee is to organize a Book Club with membership open to any student in the college who wishes to join.

In addition to the Book Club, there is a book shelf located in the Y. W. Room where books may be borrowed by students.

Virginia Ramsey (Chairman)

Music

Music for all services conducted by the Y. W. C. A. throughout the year is furnished by the Music Committee. It organizes the Y. W. Vested Choir composed of eight voices selected from the student body and is responsible for musical programs for special occasions.

June Stoll

Edna Reed

(Chairmen)

Publicity

The work of the committee is to keep you informed as to the activities of the Y. W. C. A. It is the medium through which all the other committees reach you. Its work is accomplished by means of posters placed in conspicuous spots on the campus, which you may read as you go to class or to the dining hall, by circulars distributed to your rooms, or by notes left in your post office box.

The aim of this committee is to see you, the student body, familiar with and interested in the activities of the Y. W. C. A. on the campus.

Ruth Anderson (Chairman)

Property

To assume the responsibility of obtaining and assembling any properties needed in Y. W. C. A. activities, constitutes in general, the duty of the property committee.

Some of the specific duties are: to furnish any of the properties needed for the annual Y. W. Benefit Play presented by the Dramatic Club, to arrange the stage setting each Sunday evening for Devotionals, to buy, rent and to take care of candles or any other equipment used by this committee for special occasions, to be responsible for obtaining the necessary extra equipment needed on an outing to the cabin or to Y. W. Retreat, and to take charge of the upkeep of the Y. W. room.

Mary Grace Cureton (Chairman)

Social

It is the aim of this committee to promote a spirit of friendliness and congeniality between the student body and faculty through various social functions to be held throughout the year. Formal and informal teas and parties are held for the students where they may meet and get acquainted.

The committee strives to direct the student body in the creative use of its leisure time. It desires to make the college life of every student wholly and wholesomely enjoyable and pleasant.

Betty Whitacre (Chairman)

Town Girl

During your first days here you will have the pleasant experience of being conducted by the Town Girls' Committee through Fredericksburg to visit all the historic spots and points of interest. Throughout the year, the committee functions in other directions.

The primary aim of the committee is to serve as a connecting link between the day students and the girls who live on the Hill.

Joanna Pappandreou (Chairman)

Vespers

Every evening except Saturday and Sunday a short Vesper service is held in the Tea Room by a group of girls who gather for a few minutes of quiet meditation and worship. A fifteen minute program in the form of a sing, an open forum, or a program with a special speaker is conducted by the committee and others interested in Vespers.

Get the habit of attending each evening right after dinner, and you will find the service both restful and refreshing after a day of hurry, worry, and work.

Arabelle Laws (Chairman)

World Fellowship

This committee seeks to help in bringing about a broader and more international view of human nature, and to inculcate in the students a greater tolerance for the people of other lands and races.

It strives to reach the students through discussions and studies of world fellowship.

Each year this committee sponsors the Far Eastern Student Emergency Fund drive, and the observance of the World Week of Prayer.

Mary Dryden (Chairman)

Freshman Commission

This organization is a connecting link between the Y. W. C. A. and the Freshman Class. The Commission shall be elected by the Freshman members of the Y. W. soon after the class president is chosen, the exact number of members to be determined each year by the Cabinet, in accordance with immediate circumstances. Additional members shall be the president of the Freshman class as ex-officio, and the Freshman Commission Adviser. The Commission shall organize in the same manner as the Y. W. Cabinet, and the president shall be a member of the Cabinet.

This organization furnishes a means of training girls for Y. W. Cabinet work. During the year they aid in all Y. W. C. A. projects, sponsor the Doll Show, take part in community welfare work, conduct devotionals in the Freshman dormitory, and help with the class benefit in the Spring.

The adviser of the Commission must be a Junior or Senior who has had experience in Y. W. work on the Hill. She shall act as a leader and guide for the Freshmen throughout the year and instruct them for future Y. W. leadership.

Carol Jordan (Chairman)

Blue Ridge

Every June representatives from all southern colleges gather at Blue Ridge, a summer camp in North Carolina for a conference. The association with five hundred Y. M. C. A. and Y. W. C. A. members helps further the ideas of our campus leaders.

The camp itself is a delightful spot. Its very beauty helps create the feeling of reverence which pervades the entire atmosphere. It is a place where all are lifted in mind and spirit close to the spirit of God. With such help, such association, and the benefits derived therefrom such a conference can scarcely fail to be an inspiration to all who attend.

Maturer people have often scoffed at youth for its buoyancy. Youth is young, believing, aspiring, conquering, but youth needs its inspiration. The Y. W. C. A. as a student organization needs these very qualities that youth has. By providing the opportunities for its leaders to go to Blue Ridge, it feels that the inspiration needed has been to some measure realized and that the entire membership will profit by it.

Y. W. CABINET

Y. W. C. A. ACTIVITIES

The Doll Show

The Doll Show has become quite a unique tradition of our college. This show always takes place just before the Christmas vacation. The Freshmen, who each year prepare it, are divided into groups having an upper-classman as director. Each of these groups produces an individual scene, complete within itself, as a part of the display.

In past years considerable interest has been shown in this activity, and some quite original ideas have found expression in the carrying out of clever scenes. After the public has been admitted to the show, and the scenes have been judged for first, second, and third places, they are taken apart. Some of the dolls are sent to the Blue Ridge Sanitarium, and those remaining are distributed among poor children of the city.

White Gift Service

A very impressive candle light service is held at Thanksgiving at which time the students bring gifts to be distributed among poor families in the community.

Christmas Stockings

Not only at Thanksgiving, but also at Christmas the girls bring gifts to make happy those who are not as fortunate as we.

When the calendar indicates that Christmas is drawing near, the students purchase woolly stockings, which they fill with all kinds of good things to eat, small play things, and story books. Not only do we make the children glad, but the girls get equally as much fun buying and filling the stockings.

Y. W. collects these stockings and distributes them among needy children in and around Fredericksburg.

Big and Little Sisters

The Big and Little Sister Plan is sponsored by the Y. W. C. A. and explains why you received a letter from some "nice stranger" who informed you she was your "big sister". Although you had not heretofore been cognizant of the relationship, you were assured such an one existed and were urged to write "real soon" to such and such address.

Each upperclassman desiring a little sister during the summer is given the name of an incoming Freshman in order that she may establish a friendship with her and help her in her preparation by answering any questions about College that may arise. There is always a great eagerness on registration day to hunt out one's sister and "see what she's like."

All during the first few months the big sister helps her little sister to become adjusted and acts as her adviser throughout the year.

Peanut Week

Peanut week is one that is anticipated by everyone for many days before. A week before Christmas holidays, peanut shells tied with ribbon are distributed in the dining halls. Within the shell is to be found the name of some student or faculty member to whom one is secretly to "play peanut."

The object of the "game" is for everyone to see how nice she can be to her "peanut" without the latter finding out just who is the thoughtful person. Everything imaginable can be done for "Peanut" from sending notes to sending candy or a bit from "a box from home."

The culmination of the fun comes in the night of the "Peanut Party" when everyone learns who her unknown benefactor is. Friends won in the game often become lasting ones.

Sunrise Services

Easter sunrise services are held on the viaduct leading to Seacobeck Hall at 7:15 each morning of the week before the Easter vacation. The programs are very simple and do not last long, but are nevertheless very worthwhile. A member of the Y. W. Cabinet takes charge of the exercises.

Vested Choir

Sunday night devotionals are made more lovely by the presence of the vested choir which leads the group singing as well as furnishing special music.

The eight girls who compose the choir are selected at the first of the year by the Music Chairman with the aid of Miss Eppes, head of the music department.

Y. W. Retreat

Not far away, yet seemingly miles from the bustle of the city, is situated a cabin that Y. W. girls thrill to speak of. This cabin, the property of Mr. Hamlet, is the retreat where, each year, the old and new Y. W. Cabinets go to spend a pleasant, restful week-end.

The object of the retreat is to give the girls an opportunity to know each other better as co-workers and to perfect plans for the coming year. Quiet and beauty of nature there become close to the hearts of the girls, but hikes, swimming, and marshmallow roasts do not seem to go far amiss.

Y. W. C. A. Teas

The Y. W. teas are delightful affairs which occur on Sunday afternoons throughout the year. Each student is invited to one at some time during the term.

There in Seacobeck, girls get together in informal groups and chat comfortably over their tea cups.

THE NATIONAL Y. W. HYMN

Follow the Gleam

To the knight in the days of old.

Keeping watch on the mountain heights,
Came a vision of Holy Grail

And a voice through the waiting night,
Follow, follow, follow the gleam

Banners unfurled o'er the world
Follow, follow, follow the gleam
Of the Chalice that is the Grail.

And we who would serve the King

And loyally Him obey,
In the consecrate silence know

That the challenge still holds today.
Follow, follow, follow the gleam

Standards of worth o'er all the earth.
Follow, follow, follow the gleam
Of the light that shall bring the dawn.

Benediction

"And now may the Lord watch between me
and thee while we are absent one from the
other."

ATHLETIC ASSOCIATION

The Athletic Association of Mary Washington College is a member of the national organization, Athletic Federation of College Women. A sane program of athletics to balance the strain of a busy life and to build efficiency is needed in any college. It is for such purposes that the Athletic Association offers a varied program of activities and changes these activities according to the growing needs of the students.

Any student enrolled in Mary Washington College is eligible for membership. A few days after your arrival you will be given the privilege of signing for your favorite sport in which you would like to participate.

Everyone is urged to take part in the various sports offered to earn points toward your numerals and college letter. The points are figured according to the "W. A. A. Point System."

SPORTS

The athletic season begins in the fall with an intramural program of hockey games. Archery, tennis, badminton, golf, fencing, and volley ball tournaments are featured in the fall, also. The winter quarter is taken up entirely by the interclass and dormitory basketball games. Softball, swimming meets, tennis tournaments, and horse shows occupy a great part of the spring quarter. All girls are eligible for tryouts and are urged to watch the bulletin board for the notice to report to the coach.

A. A. GROUP

PLAY DAY

Soon after the new students arrive, the Athletic Association will entertain at an event called "Play Day."

Contests, sports, exhibitions, and games will be planned for entertainment. There one will become acquainted with the activities and functions of the Athletic Association.

SPORT FACILITIES

Ample facilities are provided on the campus for participation in the many sports. There is a large indoor swimming pool, well equipped with showers, in the student activities building, and an outdoor swimming pool with bath houses, showers, and other facilities.

A golf course and an athletic field are accessible to the students on the campus. Tennis courts, saddle horses, and various other equipment offer hours of pleasant sport and enjoyment to the student who takes pleasure in being in the out-of-doors.

THE CABIN

Upon the crest of a high hill, in a remote and secluded section of the campus, stands the cabin. It was built several years ago and many are the frolics that have been held there.

The cabin can boast modern sanitary equipment, lighting, and running water. It has a large fireplace and is fitted up in a rustic fashion.

You will treasure as some of your happiest hours the nights you will have spent in the cabin. There the wind howls on autumn nights, and the leaping flames make dancing shadows on the ceiling as an eerie ghost story progresses.

DEVIL—GOAT

“And the devil shall be your emblem.” Now this is truly no insult, but something that you shall grow to be proud of—so proud, in fact, that you will buy a little red piece of flannel in the shape of a devil to show the world that you belong to the clan of odd years, the DEVILS!

The campus seems pervaded with devils and goats. You will see the flag of each sometime, lashed to the pillars of Monroe Hall. The explanation of the whole “devilish” idea is this: students who enter college in an odd year, and therefore graduate in an odd year, are called Devils; students who enter in an even year are termed Goats. Each year the rivalry between the two clans is great, each side vying for points in each of the many contests sponsored during the school term. At the end of the year, when each class moves up a step, a loving cup is awarded the side that has won the most points during that year.

POINT SYSTEM OF ATHLETIC ASSOCIATION

1. Heads of sports and clubs are responsible for keeping the records of their activities and turning in these records to the Chairman of the Point System Committee.

2. The Chairman of the Point System Committee shall record all points earned.

3. Service points shall be awarded by the Athletic Council. Any member of Council may make recommendations for such awards.

4. Numerals and letters shall be awarded by the Athletic Council according to the point system and the records kept by the Point System Committee.

5. Recommendations for revision of the point system shall be received by Council annually in April.

6. Points shall not be awarded for class work. (Receiving college credit.)

7. A student may not receive more than 175 points in any one sport in any one quarter.

8. A student who has earned 1,000 points shall be awarded a letter.

The purpose of this organization is to foster the study of English classical literature, to develop a keener appreciation for correctness in form and for true merit in the content of literature, and to contribute to the general cultural and social aspects of life at the college.

The members of the club are selected from Juniors and Seniors whose major subject is English or who are to do their apprentice teaching in this field. At the monthly meetings, the programs are centered around the great literary masterpieces. Each year the members enjoy a formal dinner at one of the leading hotels of the city, a tea, a dance, and a trip to Washington or Richmond to see a Shakespearian play produced.

PI OMEGA PI

The Alpha Epsilon Chapter of Pi Omega Pi is a National Commercial Teachers honorary fraternity. This fraternity, established only in senior teacher-training institutions, reaches from California to Virginia and from Wisconsin to Texas. The chapter at this college is the only one in Virginia.

The purposes of Pi Omega Pi are to create interest in scholarship, to aid in civic betterment, and to encourage high ethical standards in business and professional life.

Membership is gained only by those sophomores, juniors, and seniors of the commercial department who have attained superior scholastic standing in commercial subjects and at least average standing in all other subjects.

The highest hope of all commercial majors should be to become a member of Pi Omega Pi. It holds for them untold opportunities.

ALPHA PHI SIGMA

Alpha Phi Sigma is a national honorary scholarship fraternity. The objective of this organization is to instill within each member a love for learning by association with others who have won high scholastic honors and who strive continually to maintain them.

Students who were graduated from high school with first or second honors are invited to become members upon entering college. Other students who make forty quality credits for one quarter, or thirty for two consecutive quarters are also eligible for admission.

By meeting certain requirements, it is possible for a student to advance in the fraternity through the degrees of novice, apprentice, and master. A pin or key is available for the novice and apprentice, and a master pin or key for the third degree member.

Since the organization is composed of students majoring in many different fields of study, the monthly programs are varied. Alpha Phi Sigma strives to promote enjoyable social contacts among its members, as well as to emphasize scholarship.

THE COMMERCIAL CLUB

President.....	Elizabeth Hall
Vice-President.....	Winifred Hudson
Secretary.....	Virginia Ramsey
Treasurer.....	Mary Cox

The general objective of the Commercial Club is to provide activities that will help students in the department of Commerce to become successful business women or business teachers. Training and instruction in the classroom are, of course, vital and essential. But technical knowledge and skill alone are inadequate preparation for either the prospective business woman or the business teacher.

The students should acquire qualities of desirable personality that come only as a result of right attitudes, high ideals, cultured thinking, and association with others. The purpose of the club is to provide opportunities that will supplement those of the classroom for developing the best possible personalities of the members.
